**"NATIONAL NETWORK  
OF CHRISTIAN  
MEN & WOMEN" (NNCMW)**

AND SPIRITUAL NEEDS OF  
WORKING PROFESSIONALS**

"National Network of Christian Men & Women." A professional development and networking organization, was founded on the belief that working individuals should be united with other Godly people, standing shoulder-to-shoulder, sharing and glean resources.

Christians (and people of faith) who are individuals working in the marketplace, need the support of an organization to promote professional as well as spiritual growth. Members of NNCMW benefit from networking with other working individuals, who are Christians (and those who represent other communities of faith).

**OUTREACH**

To provide an atmosphere where Christian professionals can share the Gospel of Jesus Christ and disciple non-Christians in a non-threatening environment. This form of "witnessing" entails "leading others" to a personal relationship with God. Those of other faiths will also feel WELCOME in the NNCMW's Business Development Trainings, Area Chapter Meetings and other monthly events!

**INFORMATION SERVICES**

To disseminate information on Political/Congressional issues and events that impact members.
